

Benefits of Thrive Endorsement

1. Endorsed STMs are authorized to enter into contract negotiations with congregations who are looking for denominationally-approved transitional leaders.
2. Endorsed STMs are invited to the annual STM conference, ordinarily held the first full week after Easter. Expenses are underwritten by Thrive.
3. Endorsed STMs have the ongoing support of the Thrive staff, including help with making connections with STM placements.
4. Endorsed STMs also have the ongoing support of STM colleagues, including that of a 4-5 member STM cohort that meets regularly.
